- Finland, University of Helsinki, Helsinki
- Poland, University of Wroclaw, Wroclaw
- Romania, University of Partium, Oradea

Name and address of employer Eszterhazy Karoly University of Applied Sciences,
Faculty of Natural Sciences
Department of Environmental Sciences and Landscape Ecology
3300 Eger Leanyka str.6-8 D.Building 208

Type of business or sector High Education

Education and training

MSc Eötvös Loránd University (ELTE), Faculty of Natural Sciences, Budapest, meteorologist, 1988

Title of qualification awarded

- Dr habil.in Agricultural Meteorology, 2008
- PhD degree in Earth Science,(Meteorology), 1995
- Doctor Univ. in Natural Sciences, 1993,

Principal subjects/occupational skills covered

- Analyzing long time series of temperature and precipitation extremes
- Climate change effects on agricultural production
- Microclimate research in orchards and vineyards
- Researching solar and wind energy utilization
- Researching the atmospheric drought and effects on yield amount

Personal skills and competences

- Analytical Skills
- Advanced computing skills
- Several years' experience with statistical software/packages (SPSS, etc.)
- Excellent MS Excel utilization skill - Upper intermediate level

Mother tongue(s)
